

# Monday, September 3rd, Oulu

8:30	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30	18:00	18:30	19:00	19:30	20:00	20:30	21:00	21:30	22:00										
	21st Council of UArctic meeting (Saalasti Hall)			21st Council of UArctic meeting (Saalasti Hall)			L U N C H		21st Council of UArctic meeting (Saalasti Hall)			C O F F E E	21st Council of UArctic meeting (Saalasti Hall until 16:00, after that L2)																								
	Thematic Networks & UArctic Institutes Leadership Team meeting (IT115)				Thematic Network leads & Rectors (IT115)				Roundtable Discussion for Rectors (IT115)																												
APECS-UArctic Science Communication Workshop (IT105)																			Norwegian event (Saalasti Hall)																		
			C O F F E E  B R E A K				I C E  B R E A K E R  L U N C H	Minority Report - Indigenous Languages in Urbanized Areas (IT112)																													
					Career Strategies for Early Career Scholars: CVs, Cover Letters and the Job Search (IT135)																																
														C O F F E E  B R E A K	Thematic Network on Science Diplomacy (Stage, Tellus)							Guided bus tour of Oulu															
										BEBO Network Meeting (Aspire, Tellus)						Arctic 5 Steering Committee Meeting (Horizon, Tellus)							Guided walking tour in the city center														
																					Sound & Silence Forest Walk																

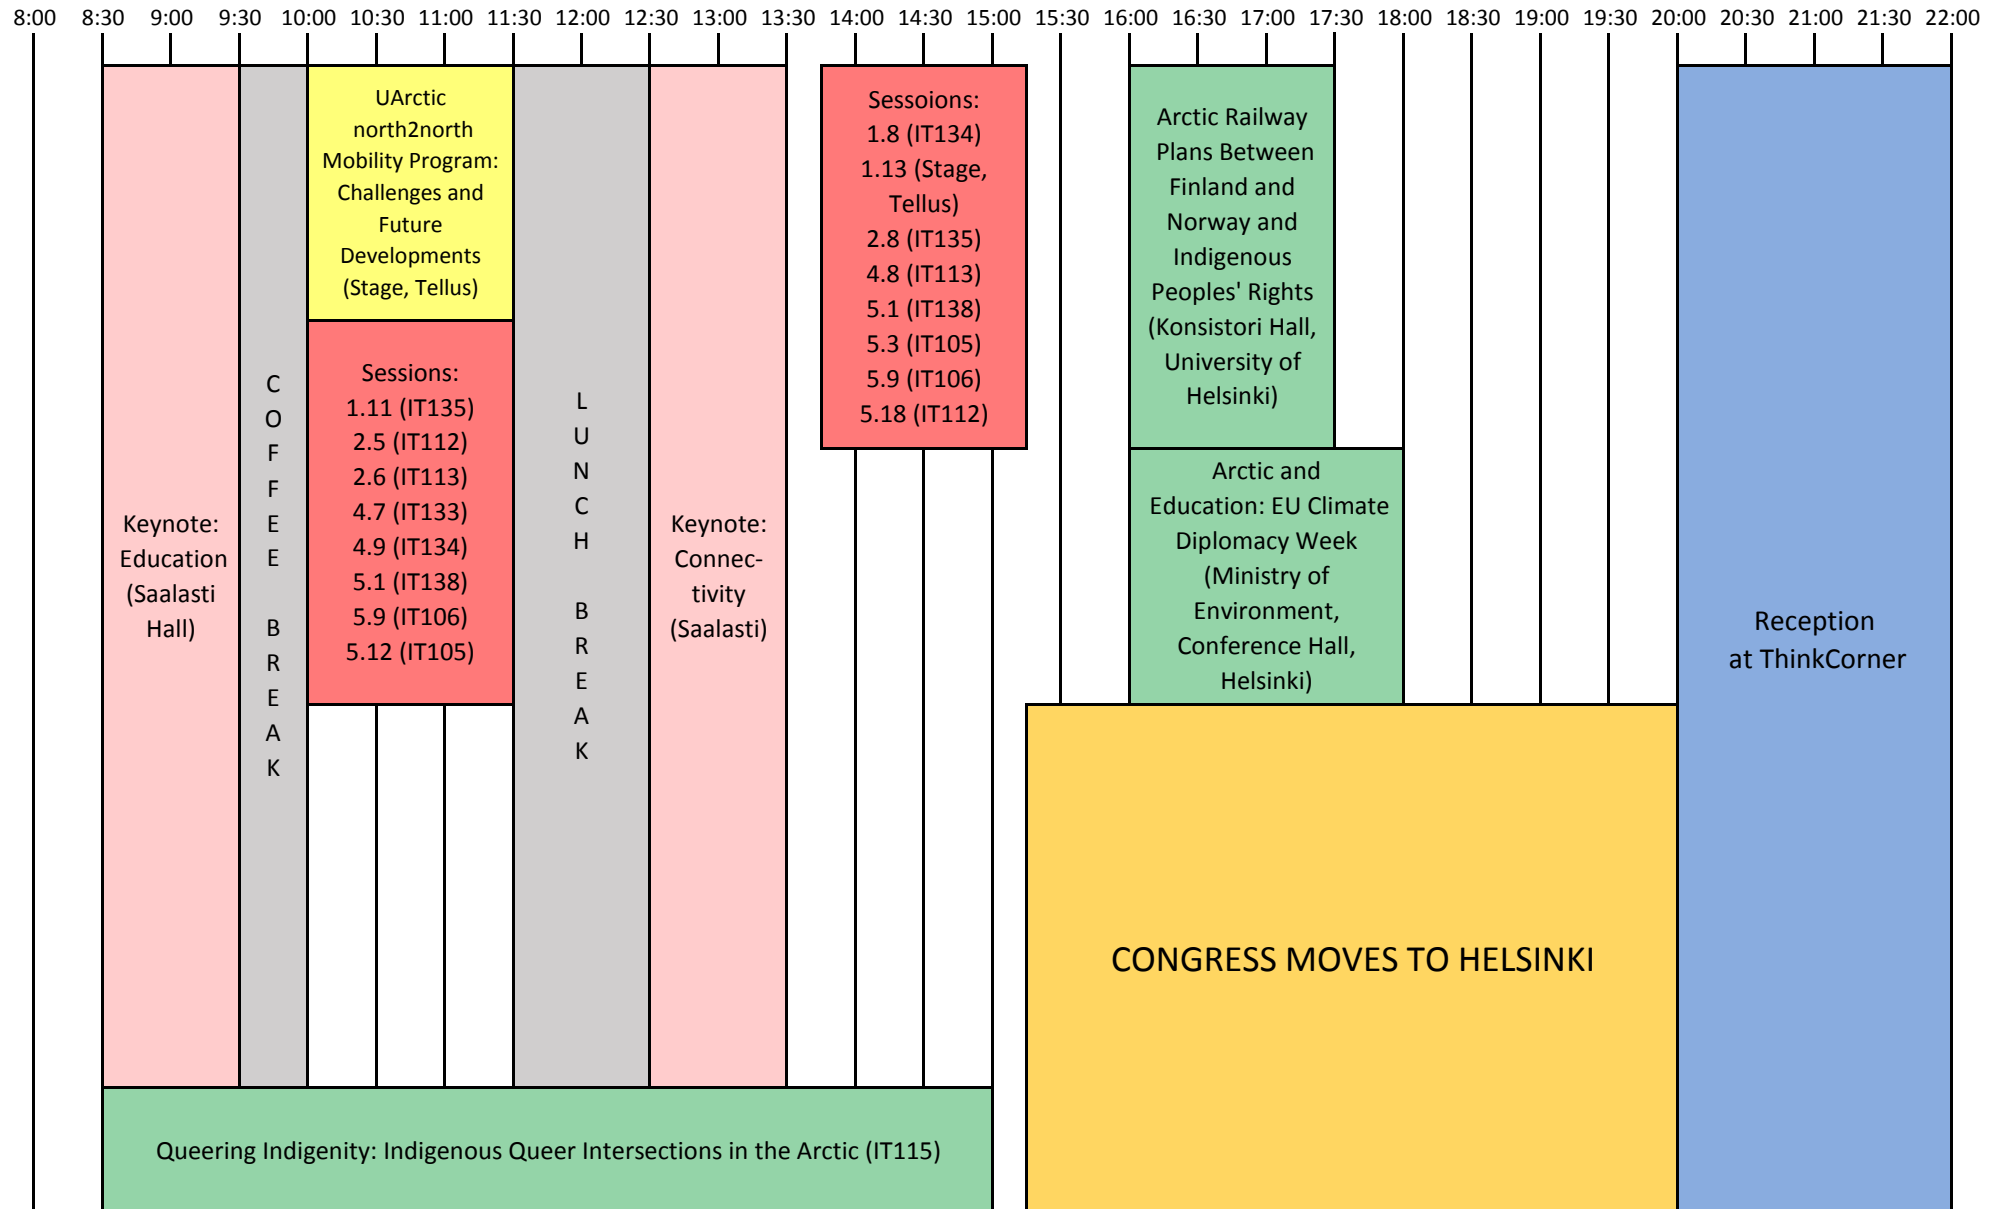

# Tuesday, September 4th, Oulu

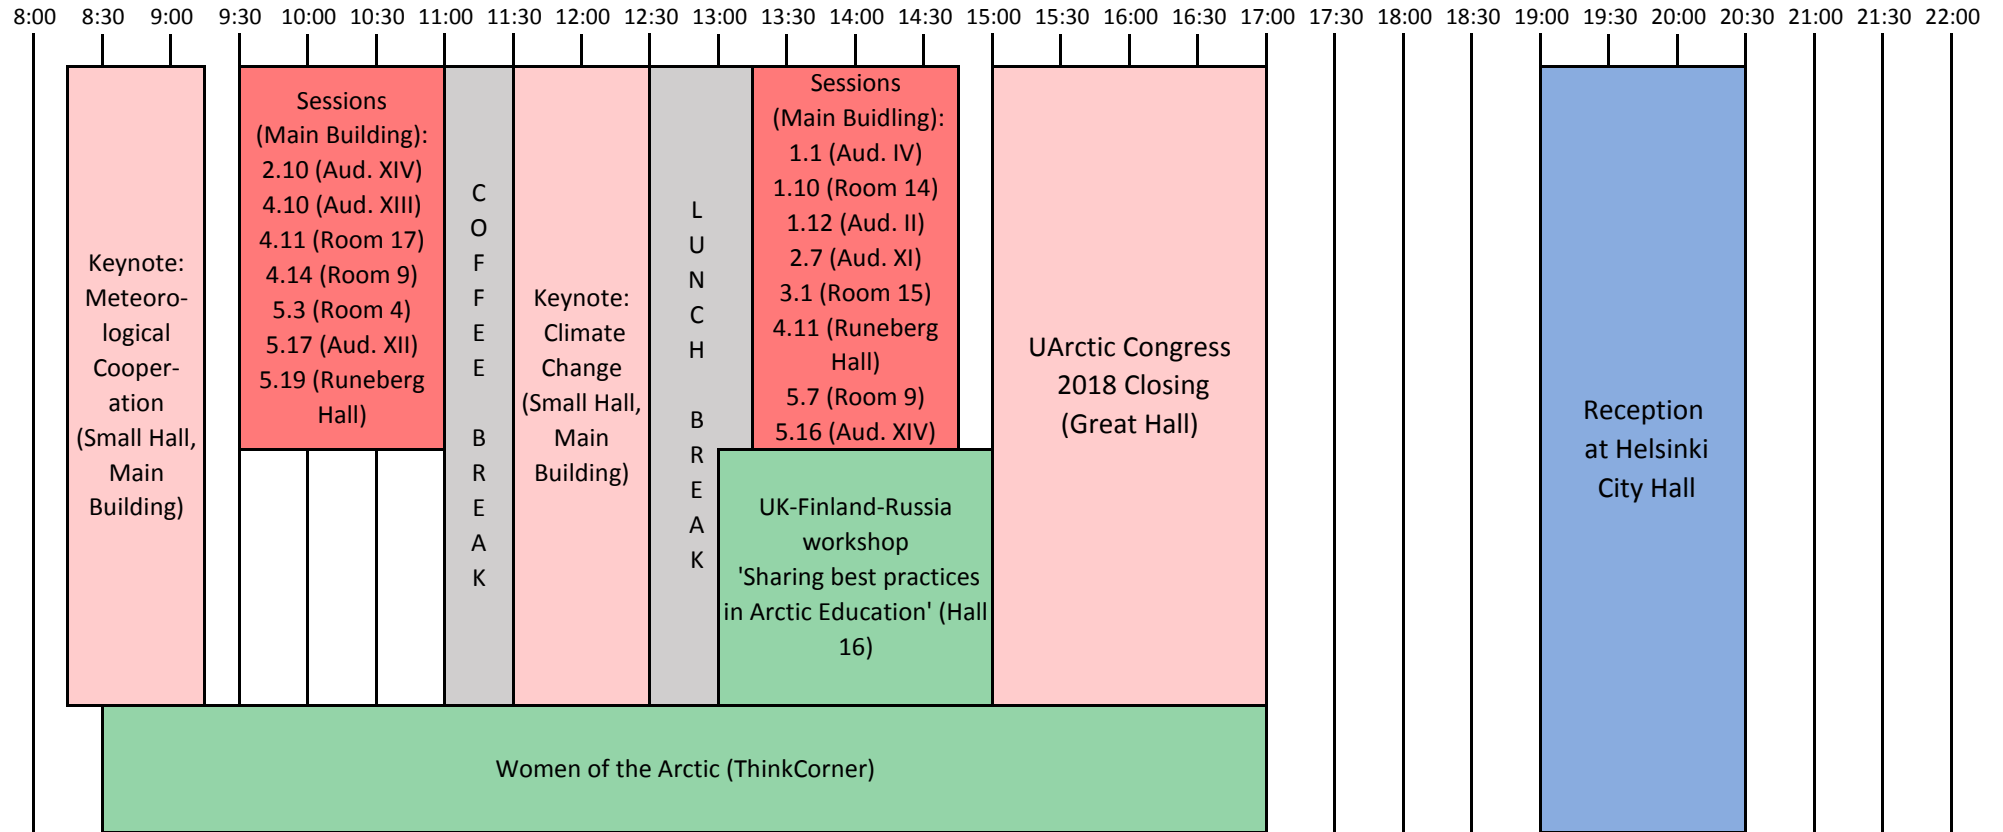

# Wednesday, September 5, Oulu

# Thursday, September 6, Oulu and Helsinki

# Friday, September 7, Helsinki

Science Sessions			
1.1	Agricultural structures in Arctic regions: present functions, limitations and solutions for future sustainable connectivity in Arctic regions	4.7	Fisheries and aquaculture in the Arctic: Opportunities for research and education
1.2	International conservation law and local communities. Can local interests be adequately integrated?	4.8	Research as reconciliation: What is the situation in Canada and the Nordic countries?
1.3	Health Promotion / Population Health 1.	4.9	Challenges in Arctic education
1.4	Sustainable development of the Arctic - boreal regions	4.10	Preserving memory - Arctic worldviews in education: stories, participative projects and knowledge in comparison
1.5	Sanitation in small Arctic communities	4.11	Education and capacity building about Polar regions through science: Tools, resources, and lessons engaging in education, outreach, and communication
1.7	Arctic tourism and global change	4.12	Creating knowledge and developing practices: Arctic citizen science in quality education and decent work
1.8	Modelling and control of water and wastewater treatment in the Arctic conditions	4.13	The Interplay between Science, Politics and Business - impacts, learned lessons and ideas
1.10	Biogeochemical cycles in Arctic forests	4.14	Arctic design: Thinking our way out of the global change
1.11	Reindeer & caribou in the Arctic system: Interactions between environmental, social and biophysical processes	4.16	Gender (in-) equality in higher education
1.12	Arctic resource geopolitics, oil and gas - actors, policies, platforms	5.1	Current research on extractive industries and the sustainability in the Arctic
1.13	A Panel on the Future of Tourism in the Arctic	5.3	Health Promotion / Population Health 2. & 3.
2.1	Enablement besides constraints: A multidisciplinary approach to cybersecurity and its connections to human security in the Arctic	5.7	Ageing Arctic: Realizing the potential of older people
2.2	Global ecological and economic connections in Arctic and Sub-Arctic crab fisheries	5.9	Work in the Arctic
2.3	Innovative collaboration within Arctic safety and security management	5.10	The UN Sustainable Development Goals: A signpost for societal relevant polar research?
2.5	Arctic tourism development: Prospects and challenges?	5.12	Connecting polar research, policy and stakeholders across scales - examples from Europe and beyond
2.6	Tourism, mobilities and globalization in the Arctic	5.13	Ambassadorial Panel on Arctic Science Diplomacy
2.7	Connect or separate? Social studies of the Northern Sea Route	5.14	Science diplomacy dialogue: Building common interests in the Arctic
2.8	Border securitization and connectivity in the Arctic	5.15	Gender Equality and 2030 Agenda for Sustainable Development
2.10	Self-governance and regional development in the High North: What (and how) information is used for strategic development?	5.16	Health and Gender Equality. Changing quality of life: Women, men and health
2.11	Transport, infrastructure, communication - local, regional and global scales	5.17	Arctic Freshwater Capital in the Nordic countries - Final seminar of CAPITAL-project
3.1	Opportunities and challenges of remote sensing techniques to meet current and future needs for monitoring the Arctic	5.18	The role of traditional knowledge in Arctic education research and innovations
4.1	Educating next generation leaders for Arctic & global challenges	5.19	Networking on gender equality in the Arctic Region: Round Table
4.4	Arctic tourism: A tool for education and a topic for educational collaboration	5.20	Open science session
4.5	Formal and informal education in Arctic studies and science outreach in the Arctic
